

SURAJ BHAN D.A.V. PUBLIC SCHOOL , VASANT VIHAR, NEW DELHI-57

**Ref No. : SBDAV / G-9/Circular -7
01.07.2014**

DATED :

Sub. : Use of unsafe and illegal Vans / RTV's for transporting school children.

Dear Parent,

We appreciate your valuable time and inputs for the positive development of our institution. Keeping in mind, the safety of students, the school authorities have initiated action for a congenial environment and provided facilities for the optimum benefit of our students.

The school has undertaken drastic steps in the last few years for the improvisation and regularization of the school transport and commendable action has been taken by the authorities to ensure the safety and security of the students which is a top priority for us.

It has been observed, however, that the majority of vehicles / private vans hired by the parents are not in compliance with the proper guidelines which is risky as well as unsafe, and, thereby, fail to provide a harmless commutation for the students.

From time and again, the school authorities have disseminated the parents and provided guidelines for the operating private vans, but, all in vain (kindly refer to the Circular No.18 dated 28th October, 2013).

It is our humble request that you should use the safe school transport and abstain from using private vans as a mode of transport because of their fatal consequences.

With regards,

Anita Ahuja
Principal
