

Forthcoming Events at Kindergarten

Our little learners are all set for two meaningful and joyful celebrations!

14 September | Hindi Diwas

A special assembly celebrating the beauty, richness and joy of our national language through poems, songs and presentations.

21 September | Gratitude Day & International Day of Peace

A day to nurture kindness, gratitude, compassion and peace, as our young learners discover that even the smallest act of kindness can make a big difference.

Together, let's celebrate learning, love and the beautiful values that shape young hearts!
