

SURAJ BHAN DAV PUBLIC SCHOOL

Child Protection Policy

- * Ensure compliance with child protection laws and regulations
- * Conduct background checks for all staff and volunteers
- * Provide regular training on child safety, first aid, and emergency response
- * Maintain vigilance in classrooms, playgrounds, and transport facilities
- * Report any suspicion of abuse, neglect, or bullying immediately
- * Encourage open communication between students and trusted adults
- * Support school safety initiatives at home and reinforce personal safety education
- * Respect peers and staff, and follow school safety rules
- * Secure entry and exit points with monitoring systems like CCTV
- * Verify drivers and staff involved in student transport, with GPS tracking where possible
- * Supervise internet use and conduct cyber safety awareness programs
- * Maintain health and hygiene standards, including medical check-ups and safe food practices
- * Establish clear reporting channels for safety concerns
- * Handle sensitive information confidentially to protect children and whistleblowers
- * Provide counseling and medical assistance when needed
- * Conduct annual workshops for staff and awareness sessions for students
- * Organize parent orientation programs on child safety
- * Review and update the policy annually through a School Safety Committee
- * Incorporate feedback from students, parents, and staff for continuous improvement
